Dear Parents and Care Givers,

Today we had a very moving ceremony to open our Yarning Circle learning space and Kabul the sandstone sculpture, created by local artist Suvira MacDonald. Special guests included local community Indigenous leaders, Aunty Dulcie, Uncle Pete, Delta Kay, Theresa Nicholls, and other community members. This very beautiful ceremony was led by Nickolla Clark, our Vice Captain and Indigenous students of our school community. The Ceremony was followed by a meeting to discuss implementing new indigenous programs at Byron Bay High School. We are overjoyed to have officially opened this wondering learning space. Thank you to everyone involved.

Thank you to local businesses

Building Houses in Cambodia Crowdfunding and Fundraising update!

In January holidays three staff and fourteen students will travel to Cambodia. As a part of this excursion we will build two houses in a village outside Siem Reap. This project will cost approximately $8,100AUD. We are running a fundraising campaign to help us achieve this goal. This has involved activities at school and a crowdfunding website has been set up.

The total raised by the crowdfunding website to date is $540. Thanks so much to the very generous people who have already donated. Check out the crowdfunding page https://www.gofundme.com/bbhscambodia. If you are not in a position to contribute please share this link in your networks. We will be selling cakes every Thursday next to the canteen. We also plan to run a weekend car wash and BBQ on Saturday 14 November from 10 am to 3 pm in the school bus zone. We are getting closer each day to our goal to raise the $8100 needed to build two houses.

Please get behind us! Mark Smith on behalf of the 2016 Cambodia Excursion Team
