Stage 4 Showcase

Our second ever Stage 4 showcase was held on Wednesday evening and was such a great celebration of talented musical and artistic students in this cohort. The students were bursting with pride and unbelievable support for one another.

A special thank you to all the staff, especially Mr Todd, Ms Donohoe and Ms McGregor who gave up so much time to make this event happen.

The feedback from teachers, parents and students alike has been wonderful.

Congratulations to everyone involved! (Photos will be included in next week’s newsletter)

Sporting Excellence 2016

Sporting excellence program will continue to run through 2016, however, in a condensed format beginning in 2016. Sporting excellence will run in Terms 2 and 3 first period on a day 1 or day 2 (TSC).

The sporting excellence program is for those students who are already involved in sports inside or outside of school at a representative level. The program provides practical application and seminars to help athletes gain a more holistic approach to training and competition. Anyone interested in more information can see Mrs Cooyanan in PE or ask for an application form from the front office. Applications will be taken through term 1. As an extracurricular activity where students are representing the school those applying must have sound academic achievement and a positive record of behaviour.

Kelley Cooyanan, Sports Organiser/Sporting Excellence Program Coordinator

Building Houses in Cambodia Crowdfunding and Fundraising update!

The total raised by the crowdfunding website to date is $1975. Thanks so much to the very generous people who have already donated. Check out the crowdfunding page https://www.gofundme.com/BBSCambodia.

If you are not in a position to contribute please share this link in your networks. We will be selling cakes every Thursday next to the canteen. We are getting closer each day to our goal to raise the $8100 needed to build two houses.

Please get behind us! Mark Smith on behalf of the 2016 Cambodia Excursion Team

Term 4 - Week 9 Canteen Roster
