Dear Parents and Care Givers,

**Mature age enrolments**
We serve the community of Byron Bay and surrounds by providing outstanding educational programs for students. This service is also available to mature age students who may wish to study one or more HSC subjects such as Japanese, Ancient History, Biology, Drama, Visual Arts, Photography, Music, Textiles, Legal Studies or Hospitality.

The school has 42 subjects to choose from and most courses are available for $30 - $90 per year. Mature age students can negotiate a flexible timetable and are not required to wear a uniform. Please contact the school for a copy of the 2016 Senior Student Handbook to choose your subjects.

**North Coast Dance Festival**
We are asking for volunteers to assist us to cater for the North Dance Festival on 28-30 August. I hope you may be able to volunteer your time to prepare and sell food in the canteen for our only major fundraiser for 2015. The latest volunteering roster is attached. There will be no garden club on that weekend as a result.

**International Students**
We have a number of International students waiting for a placement at Byron Bay High School. Homestay parents are be reimbursed $250 per week to cater for students staying with them. For further information please contact the following two Homestay companies with agreements with DEC International to operate on the North Coast.
